KIDazzle Childcare Philosophy & Curriculum

Parents are their child's first and most important teacher. At KIDazzle, we believe that it is our job to extend and strengthen the foundation started at home.

KIDazzle provides a warm, nurturing, safe environment in which your child will develop and thrive. Our commitment to excellence is evidenced by well stocked and organized classrooms, degreed and credentialed teaching staff, low child: staff ratios, a nationally recognized curriculum and NAEYC accreditation.

At KIDazzle we use The Creative Curriculum. The implementation of this curriculum allows every child to pursue his or her special talents and to demonstrate their areas of strength. We want our children to feel that learning is a lifelong experience that is full of wonder and fun!
